“ I never got to meet Diana personally but I know she was a great person because she has a wonderful daughter with a heart of gold and that comes from a great upbringing. Diana was awesome as can be and I know everyone who knew her will miss her. To your Family Diana I offer my prayers and sympathy during this time and may your life be what they remember more than the loss they feel.

God Bless all of You and keep you in the comfort of his arms.

With Love and Friendship

“ Diana's Family,

My heart, love, and prayers are with you at this very difficult time.

I am not able to be there to celebrate Diana's life, but I will be there in spirit.

Last fall Diana sent me the family genealogy that she had been working on for years...in the box was a heart wind spinner. I have the heart at my front door. Every time I come and go, I see the heart and am reminded of the love from cousin Diana!
