“ I met Dixie Belle at a party in 1960. When she walked into the room everything stopped, All attention went to her, I understand that never changed, My heart is with all of her family.

“ *Dixie Belle, my wonderful paternal 1st cousin. You will be loved and remembered for eons. You gave so many people love and laughter your entire life (a few tense moments for your Mom and Dad, tho). Just a normal teenager who could be dared to do anything and probably did. Knowing youre with your sons, parents, brother, and cousins is a comfort. RIP, Dixie Belle Corbly. Love always.*
