“ *We'll all miss Don. A genuine, good hearted person that cared sincerely for everyone he knew and called friends. His kindness to my mother in her waning years will never be forgotten. He always spoke of his love for all of his relatives: mother, daughter, grand-daughter ("Tadpole"), brothers & nephews in a way that I knew how much they were the most important part of his life. He always put others first. A truly loving individual. God rest his soul. We were blessed by the goodness he shared from the heart.*

“ Words can not express the loss I know you feel, as do I. I will miss him and think of him often, as I always have, he was so special to me and I would not trade our years together for anything. My love to you all, and know that I will keep him close in my heart forever.

“ Eugenia, Donny was such a genuinely nice person. We met him at Silo Ridge 7 years ago and he was such a great golfer and all around nice person. We met you a few years later, as you were in Mrs. Stehr's room and a great friend and helper to our daughter Kelsie. Donny re-tiled our entire kitchen a few years ago and did a great job. I enjoyed seeing him at the Herzke's yearly member guest parties. Please know that you are in our thoughts and prayers.
