“ *I just wanted to say how sorry I am for your loss. Don was always so sweet when he came to the pharmacy and never had a bad word to say. I really enjoyed having him as a customer and friend. I just recently got the pleasure of meeting Basil, and she is just as sweet as Don was. If there is anything that we can do, just let us know. Many prayers for your family.*

I am so sorry to hear about the loss of your father. I have always thought of Don as one of my best friends. When we moved to Bellevue he took me under his wings and taught me a lot about life. We enjoyed a lot of good times together. He taught me a lot and I think about him often. God bless all of you, you are family.

“ Dear Family,

I wanted to express my deepest sympathy and concern for you and also share with you the wonderful hope for our dead loved ones. As you grieve Donalds death, please reflect on the hope in question, which comes from Jehovah God. By means of the Bible, He allows us to understand how Hell eliminate death for good one day and bring our dead loved one back to life. This is evident in Scriptures like (Isaiah 25: 8), (John 5: 28), (1 Corinthians 15:26), (Revelation 21:3 and 4), which can comfort you in this time of sorrow. Gods promises are guaranteed because He cannot lie. Moreover John 11 verses 11-14, 39, 43, and 44 attests that Jesus, who God appoints to bring the dead back to life, can do it since he did it when he resurrected Lazarus and several others here on earth. As you await Donalds resurrection, please heed Jesus counsel in John 17 verse 3 and take steps to gain accurate knowledge of God and Jesus by carefully studying the Bible with the Jehovahs Witnesses. In John 5 verse 39, Jesus explains that such study is imperative if one wishes to have everlasting life one day here on earth, which will be become a paradise where you can be re-united with Donald again in a world free of violence, war, sickness, old age etc (Ps 37: 9-11 and 29), (Psalms 46: 8 and 9), (Isaiah 33:24), (Job: 33:25).
