“ *Our thoughts and prayers are with you and the family, in your loss. May the comfort of the Lord's presence provide you peace.*

Rev. & Mrs. Charles D. Good - November 23, 2007 at 12:00 AM

“ *Dear Uncle Donnie, Thank you for putting my basketball goal up for me, it proved to be my only refuge at times, and for taking Kent and me out with you to the hayfields that boring summer day, we needed an escape, somehow you knew. It might sound simple to others, but your doing those things were a God send to me, and I'll remeber that always. May you rest at peace in Heaven, Christy*

“ *We are so sorry for your loss. We can never describe what Donnie has meant to our family. He and Marsha have done so much to help my family during our own family illnesses over the years. Donnie will be greatly missed, but we are glad to know that he is at peace. Please know that your entire family is in our thoughts and prayers. We love you.*
