“ *Dorothy will always be one of the people who makes being in the ministry a joy. We knew she prayed for us and we prayed for her, how good it was to work with someone like Dorothy. She will be missed by so many, but the joyful memories of our times with her and the cards and letters since will bring a smile to our hearts when we think of her. We pray comfort and peace on her family.*

“ *I taught Mission Friends under Mrs. Fischer at Southern Hills while I was a student at SBU. She was a wonderful lady to work with and had such a heart for missions. A couple summer's ago I ran into her at Simon B's while having lunch. She remembered me and we had a great visit. She will be missed. God bless you and your family as you are without her.*
