“ Teresa & Tricia,
You were in my thoughts today as I knew you would be celebrating the life of your wonderful mom, Dorothy. She was such a kind, loving woman, and we were so happy that we got to visit with her in February when we were in Bolivar. You both are in my thoughts and prayers.
Love,
Johnna

“ Dear Patricia and Teresa,

Your mother was a shining star in God's world. I can't imagine how excited He is to have her back with Him. She was always so thoughtful of Sharon and me--she always sent us an anniversary card every year! I hope that your hearts can have peace knowing that she is at rest now. I know that it did when my mother went away last Christmas.

Sincerely,
Lee

“ My thoughts and prayers are with the entire Miller Family. Though we often know death is coming to the ones we love, it is always deeply traumatic and difficult when it happens.

“ *What a delightful lady. It was a privilege to have met Dorothy. I became acquainted with her through the Polk County Genealogy Library when she attended the genealogy classes we offered. She was always so pleasant each time she came to the library to work on her family history. It was a pleasure to get to know her. My sympathies go to the family.*
