“ *Just want to let you know that you are in my prayers. I am sure you will miss Dot tremendously but please know that she is fine and y'all will have the opportunity to be together again at the appropriate time. Cherish the wonderful memories and know that you are loved by many. In case you haven't a clue as to who I am, I am the daughter of Dee & Francine Martin. I remember seeing y'all many times when I was a kid living in Missouri.*

“ *I am so sorry for your loss, but you have been so fortunate to have Dot in your life. Always remember the good times and try to forget all of the suffering that she has done.*
