“ *My memory of knowing the Earl Spiegel family began shortly after we moved to Bolivar. People would asked if we were related to the Earl Spiegel family. You see our name was Spiegel also. My husband John's grandfather had done a geneology of the Spiegel family and as far a we knew we were not related. Georgeanna reached out to John and would call him on his birthday to sing "Happy Birthday." John was an educator in Bolivar and he knew the Spiegel children in school. And even though we were not related it would have been an honor to have been related to them. Please accept my condolences and see your loved ones as stars in the sky watching down over you. My prayers are with you at this time. Carolyn Spiegel*
