“ *I'm so sorry for your loss, and send my condolences. This is one of the hardest times in a family's life, always know that others care. Most important God cares. He has promised a time when he will "swallow up death forever and he will wipe the tears from all faces." (Isaiah 25:8) Praying for your family, and praying you will find comfort in this promise.*

“ *I send my deepest sympathy to you family and apologize deeply for almost cutting into your procession. I am from out of town and had no idea there was a funeral home there. Again...I am deeply sorry! Many blessings for your family in your time of sorrow. (The lady in the white durango)*
