“ *I'm so sorry for your loss. I have very fond memories of growing up and being @ each others houses. Your mom was great lady and will be dearly missed,*

“ *I would like all of you to know we send our deepest sympathy. I know your grief and pain. I have been out of touch with all the family for so many years that most of you don't even know me. But you are all still family and I share your grief. You are in our thoughts.*

“ *Tim, I want you to know that my thoughts and prayers are with you at this very difficult time. I lost my mom almost a year ago and I am still having difficult days. Take care and know you have friends that are thinking of you!*
