“ *we didn't know Ed well, but we did stop by a few times when he was working in his garden. he was always friendly and had good advise about gardening and how to keep the wildlife out of a graden.. I mentioned hanging Irish Spring soap in the corners of the garden to ward off deer. He quickly advised me to run hemp rope around a garden instead. "that works best." Will miss his advise and friendly waves.*

“ *Pastor, Mary, we are sad to hear about Ed's passing. He was such a sweet guy. I am so glad that we kept in touch. We really enjoyed the phone conversations, and even when we weren't home, he left messages that said he'd call back, and he always did. He always ended the message with "Love you." We love you to Ed. We love you too Pastor and Mary, and Larry and I will see you in Milwaukee.*

Love,

Lori & Larry
