“ *Dear Family of Elizabeth Teters,
We would like to send our sincere condolences to all of you in the loss of your dear Elizabeth. We first knew her as a neighbor to my parents, Leonard and Virginia Paxton, on S. Maple Circle. Then in later years at Parkview with my mother. They both loved music, and always seem to just light up when hearing light classical music, and traditional hymns. Even when they both stopped speaking, they could sing for several years. We rejoice that these wonderful women are singing again in heaven!*
*Most Sincerely,
Evie & T.W. Jones*

“ Dearest Larry and Nancy,
I am so sad as I write this, feeling the loss of your mother and all she meant to me and my family over the years. As I reflect, hardly a memory exists that doesn't somehow include your family, and specifically your mom and dad. Elizabeth was my mom's best friend in Bolivar as she told me on more than one occasion and we were all blessed to have known her and been the recipient of her many kind gestures.

I will miss her and forever be grateful for her role in my childhood. Please accept my sincere sympathies at her passing.

Sincerely,

“ My Aunt Elizabeth was a great hostess, both generous and thoughtful. I always enjoyed visits at her beautiful home and sharing in her sweet spirit. She influenced me and those around her with her loving example. My family and I will miss singing hymns with her.
