“ *Hard to believe that one year has gone by since Baron's spirit left our world. I still think about him daily and I know that so long as I do that, his spirit will live on forever in not just my heart, but in the hearts of everyone who was blessed enough to know him. Baron's tenacity of spirit touched so many lives that he will live on for many years in the hearts and minds of the people who knew him. I pray that he has found peace and that all of us have found peace with him. Cheers my friend.*

“ *Every day I come here, every day I am at a loss for words. My heart breaks for you all. I'll always remember our Christmas Eve's growing up. I'll always be thankful that Baron came home for Nana, such a hard time, but he made it easier. I miss him so, more than I can relate. I am so very sorry Aunt Wanda, Lindley, Courtney and Ambret. My thoughts and prayers and all my love are with you, always.*

“ *For over 20 years, we always searched out Baron on our annual trip to the lake. We tried to see him twice each week we were there. He always had some great stories. He spoke about his daughters with pride, and we felt like we knew them as they grew up. He was a great guy and we will miss him.*

“ *I worked with Baron at Risky's in Lake Ozark. I remember a few weeks ago I was at Risky's for dinner and came upon Baron with his youngest daughter. He had brought her in for dinner and introduced her to me as his "best date ever". He was so proud of his girls; always had a story about them. He will be missed by all.*

“ My heart and prayers go out to all of Baron's family. He spoke of you all often in fun and loving stories. My family and I feel truly blessed to have known Baron and count him as a great friend. He could always put a smile on our faces! I won't be able to collect his pumpkins this year, but will certainly be thinking of him as I cook the pumpkin rolls which he loved. I am thankful for the memories but will sorely miss my friend.

“ I worked with Baron at Baron's Bistro at the Lake the summer after I graduated from high school. I'll never forget all of his fabulous stories, his jokes, and his good nature. To this day, that was the best job I ever had. He really was one of the greatest people I have ever had the priviledge of knowing. He will be missed.

“ I returned from an overseas assignment just last week. Being away for several months I did not realize Baron was ill. I always enjoyed my visits with him since moving to the Lake of the Ozarks two years ago. We shared some quiet winter evenings at Ruthie D's. Lots of good stories both ways! He will be missed.

“ Had the opportunity to meet Baron and have him make his famous flaming banana desert and flaming coffee's. Always looked forward to see him.

Such a wonderful person and his passing will touch so many with mixed emotions of sadness and heartfelt memories.

God Bless.

“ My deepest sympathies to Baron's family, but especially to his daughters. Not one day went by that he did not have a story to tell you about his daughters so he could brag to the whole world how wonderful they were. He was very proud of both of you. I will never forget Baron's deep voice which you could always hear over a whole crowd of people and I will also never forget his stories. It was truly an honor knowing Baron and having the opportunity to work with him. He will be greatly missed not only by me, but by everyone who got the chance to meet him. God bless

“ I am so truly sorry for your loss. Baron was a dear friend for many years and we shared so many good times both professionally and personally. Whenever I came back for a visit he always made sure I had Bananas Foster (which he knew I loved), as only he could prepare it. He will be missed by many as a wonderful father, son, brother, ex-husband and friend! Again, my deepest sympathy in your loss.

“ To Baron's family, especially his daughters, I know this must be a very difficult time for you. I know that your dad loved you very much. I will miss his friendship and his unrelenting spirit. Baron was a person that you never forgot. From his booming voice to his out-of-this world stories he could always put a smile on your face; and that was perhaps his greatest gift. I feel lucky to have considered Baron a friend and I will miss him dearly.
