“ *I just happened to see Lucille's obituary. I have many fond memories of her and your Dad and all of us being together at Mt. Olive, Mom and her being in the extension club together, and we kids playing together. I remember her as being pretty, laughing a lot, and being a good sport. It's been a long time, but I still think of those days on highway D. My sympathies and also from husband Larry Davis. Love to Carol and Jim - Kay McColm Davis*

“ *Your mother is certainly going to be missed around Bolivar. I played bridge and golfed with her. I could hold my own in bridge, but golf was a different story. Even with a healthy handicap, I couldn't come near her. As far as I know, she was good at everything she tried. I know you are missing her. It is comforting to me to know I'll see her in Heaven.*

“ Carol,  
  
*I am so sorry for your loss. There are no words that I can say to take away the hurt. I do however want you to know you are in my thoughts and prayers. Love you like a sister, mother and best friend. Your mom was a very special lady and she always was so nice, caring and showed love every time I spoke with her or saw her at your home. You will as well as the rest of the family be in my prayers. The good thing is you know that some day you will get to see your mom and dad again and you also know they are in a much better place.*
