My deepest sympathy to the family of Elvin, I attended Van church with him & all his family many years and we were both saved on the night of December 13th in a revival.

I moved away but anytime I came in contact with him in the years he always reminded me of our special night and I had sent word I would try to visit Van church this summer so I will just wait and see him in glory land.

Love and prayers

“ *I have many childhood memories of my cousin Elvin. His father and my mother were brother and sister. Then we visited many times from CA and enjoyed delightful family get-togethers, several at picnics in a park. Glen and I and our 3 children and their families are praying for his family and sweet Wanda.*

“ Dear Wanda and family, Please know that our thoughts and prayers are with you in your loss. I always have fond memories of Elvin during our school days. When I started the first grade, I was the smallest boy in school and Elvin was the biggest. Also his mother Margaret was my first and second grade teacher at Sunset school.. I will always feel my life has been enriched by knowing Elvin, by the times in we were together in divine services at Sunset and Van Missionary Baptist Churches. May God bless and comfort each of you by his great spirit of Love.

Sincerely,
