“ Doug, you have my most sincere sympathies! I know the depth of loss when you lose a parent and I want you to know that we're here for you. Having read your father's obituary, it sounds like your dad was an incredible man who had a caring and compassionate heart for those around him. Our world has been made a better place by him. Find your best memory and hold onto it in the days to come. "I can do everything through Him who gives me strength." (Phil 4:13) He will give you strength when you don't think you have anymore. Depend on Him during this time.
