“ *I am sorry for your loss. I only met your mom a handful of times but each time she welcomed us and always tried to feed me. Although it's been many years I remember she really liked flowers especially the roses south of the house. I believe they were on a trellis. Peace be with you and she is in gods hands. Take care, Chris.*

“ Evelyn made the best homemade potato chips! When the Jones and Hendrickson families lived on farms across the road from each other, we would sit at her kitchen table and eat them as fast as she could make them.
