“ Both Larry and I were patients of Dr. Smith while we lived in Bolivar. He diagnosed quickly and accurately and pulled no punches. We think he was one of the best ever. Grace always kept things on schedule and was a good helpmate/nurse. My parents and I were in Doc and Grace s home many times particularly for fish fries after my Dad Joe McColm my uncle Earl Lunderman and Doc went fishing. Grace knew how to prepare delicious fish dinners. She and Doc were wonderful friends and neighbors. Our sympathies. Larry Davis (raised by Omar and Cora Duncan) and Kay McColm Davis
