“ *Following WW2 Uncle Frank brought his new bride, Ruth down to the farm to meet his sister Helen. I was a young kid and totally impressed. Ruth had on a brown and white two piece outfit with brown and white spectator pumps. Bright red lipstick. She looked great. Sorry don't know what Uncle Frank had on only know he was happy. Little Eddie was there and very shy. Uncle Frank was always kind and friendly to all us kids. Remember happy times on the farm and Aunt Ruth's delicious pies. Remember picking apples in MO. He was always generous. He was a good man. Rita Woydziak Cardello*
