“ My thoughts and prayers go out to the family first, and I just wanted to say that I never knew of an unkind word to come from this humble man. He helped me learn to play music many years ago and I have many wonderful memories of Frank that I will always keep with me. I know we will meet again someday to sing and play some music together. God bless, Bro. David Curtman

“ Dan and I wish to express our deepest sympathy to all of you. I thought for years Frank was my Uncle, and was so surprised to find out we were cousins. I will always think of him as Uncle Frank. I have so many fond memories. "Uncle" Frank gave me my first guitar when I was learning to play. We had so many great times singing and playing together. We will keep all of you in our prayers. Love, Ruby and Dan Sims
