“ Fred was a great friend for over 30 years. We worked together at the Sears Independence Center store. This guy could fix anything! When Fred patrolled the streets evening & weekend in Blue Springs, I had a teenage son driving around those same street. I always told my son he better behave. Fred helped him out on a few occasions. I'm thankful... Fred landed at Best Buy & I moved out of state. We remained friends, checking on each other, checking on spouses, kids & eventually grandkids.

A couple of years ago I was traveling through Springfield Mo. called Fred ahead of time to see if he & Jerry could meet for breakfast, they agreed, had a wonderful time catching up, talked about old times, kids, grandkids, retirement, Freds mower & the old days at Sears.

I always admired Freds for his matter-of-fact attitude. When my sadness ends, I have good memories of my friend.
