“ Uncle George, you have always loved Mickel and I like your own. You were such a selfless person and never met a stranger. I remember you used to love eagles... I honestly couldn't tell you whether you still enjoy them anymore or not since we haven't been that close over the last 10 years or so. And for that, I regret. I am so very glad that you were able to meet John and I's son before you went to meet Jesus. I miss you very much and I thank God for allowing me the ability to have met you and enjoyed your company. I love you like my own father, although we call you uncle George. You are so greatly missed and we love you so very, very much! And although we are in Texas, but you know I would be there if I could to show my respects. But you know how I feel and you know that I will always love you whether you are here on earth or in Heaven.
