“ *Linda and family, I am so sorry for your loss. Since I heard about Bobby's death I have been remembering all the times we spent together as kids. I remember the times our parents went to the sale barn in Buffalo and we thought we were so "big" if the let us walk around the square. I remember Bobby in my class at Halfway and of course all the times he bailed us out of some situation and go us up and running again by working at Paynes. Time has passed, but those memories will last forever.*
