“ *I will always treasure Collie and my trip to Humansville to spend a couple of days with Georgia! We had such a great time visiting. I told her when we got there all I would want was a cup of coffee. She replied "Well bring your own Damn cup of coffee". So when we left the motel that morning I got a paper cup full of coffee and wrote on the cup "Damn Cup of Coffee", when we got to Georgia's I carried my cup of coffee in and sit on the table. She asked what that was and I told her it was just a "Damn cup of Coffee" did she want some. I can still hear her laughing! Love you Lots Georgia Rae!*
