Celebrating with Christ, I can only imagine, it will be an answer to my prayers one day! Love you always and forever, just like I do my Stevie! hugs!*

“ *My Grandma always used to read to me at night and play board games with me when I was a kid. Every day she cooked three course dinners for the family when we visited. My Grandparents where a great model of stability, modesty, and traditionalism that you just don't see nowadays. Thankful for the fun Holiday's and get togethers I got to experience. Rest in peace Grandma. Love you.*

“ Mom Lober (Geraldine) I can only imagine the Heavenly Homecoming.

Jesus heard our prayers, You are Home and with your Heavenly Family.

so thankful you no longer suffer.

Until God calls me home, will share all the fond memories of the life you lived.

Tell my Stevie I miss him and love him forever and always.

You almost made it to 100, may your soul rest in Peace.
