“ *Dear Fay and Darlene, I am so very sorry to hear of your loss. My apology for the being late, I was just made aware of it recently. I know your heart breaks, it is so very hard to lose a parent or sibling. I understand since mine have been gone for a long time. Loved ones leave that empty spot inside. But just know and be comforted knowing she will be at heavens gate waiting with open arms, oh what a reunion !*

“ *We are very sorry for the loss of Geraldine. She was such a wonderful person and always so pleasant to be around. We have very fond memories of visiting with Geraldine, seeing her latest quilting projects, and eating fresh baked cinnamon rolls she had made. She will be missed by many.*

“ *Darlene, Fay, Rosie and extended family: our sympathies to all in the loss of mother, sister, grandmother and other relations. Always painful to lose your mom and as I have now experienced, a sibling. Our hearts hurt with yours. I'll hope she was a follower of Jesus Christ and will be waiting for other family who also know Jesus personally.*
