

Glen Dale Copeland

September 18, 1951 - July 13, 2025

Glen Dale Copeland, son of Olen and Bertha Copeland, passed July 13, 2025. He was born September 18, 1951, at Springfield Osteopathic, and was a lifelong resident of Bolivar. Glen grew up regularly attending Barren Creek Cumberland Presbyterian church with his parents, brothers and sister, and was saved and baptized as a young teenager. He maintained a strong faith throughout his life. He married Delilah (Dee) about 1980, though they later divorced. Glen graduated from Bolivar High School, and set some outstanding Liberator football and track records. He also played in the local summer baseball league from age 9-15 with his brothers and friends. He continued for many years playing on adult softball teams. As a math standout in high school he then attended Bolivar Southwest Baptist College. He worked in grocery, Teters, convenience store management and the Bolivar school system. Glen went to be with the Lord after a few months of developing poor circulation and then sudden congestive heart failure. He will be sorely missed by the many lives that he touched with his generosity, help and unique offbeat humor. He leaves to mourn his departure his many friends, and brothers Billy and wife Carol, and Jim and wife Venetia, sister Gayla and husband Alan, the many nieces and nephews and the Underwood and Brown cousin families. Services will be at a later date.

“Glen was such a nice person and friend! Every time I met him, he always had a big smile on his face. Glen graduated from Bolivar High School in 1970 with my wife, Cheryl Dooley. Cheryl always liked Glen and said that he was one of the nicest boys in her class. Glen was an excellent athlete and one of the fastest track runners to graduate from BHS. Every time I walked up to Glen he would say, "I know you, Michael Brewer, you graduated with my brother, Billy." Glen was one of the "Good Guys" and will be great missed.

“I was so sorry to hear of Glen's passing. I grew up with Glen playing summer baseball, attending Bible School at Barren Creek and participating in school sports later on. He was an exceptional athlete who was extremely fast. Glen was always so kind to me. Please know that your family will be in my thoughts an prayers.
