“ *Glenn was a great guy. I hope that my thoughts and prayers are with you. I will never forget the time Glenn, John and I played football. Glenn knew he couldn't play for very long but he played until he just couldn't anymore. I will never forget the smile on his face. It was the one time I got to see him do something that was somewhat a taste of a normal life. I can see Glenn now playing football in heaven and enjoying every minute of it.*

“ I knew Glenn for the past several years. I worked just down the road from Medicalodge in Nevada.

My husband and I took our guitars and our one-eyed dog and sang several times at the nursing home.

Glenn never sat and listened, but would always tell me what a wonderful singer and guitar player I was when I'd see him where I worked. I am NOT a wonderful singer or guitar player, but he always made me feel like I was. He also said he was my biggest fan.

I will miss him very much. He was such a friendly young man and a true gentleman.

“ We are all very saddened by the loss of our little buddy Glenn. I speak for everyone here at Medicalodge when I say we loved Glenn so very much. It is certainly not the same without him peeking into the office saying, "can I talk to ya"? I will forever miss that and his wonderful smile. He truly loved life and loved his family. Glenn never met a stranger. We often would call him our "door greeter" because he knew everyone that came into his home at Medicalodge. I miss Glenn so very much but I know he is with God, Stephanie and Nathan. The four of them are walking the halls of Heaven without pain or suffering. We love you Glenn. You may be gone but NEVER forgotten. Rest in peace buddy.

“ *What a gentle soul...Glenn was such a sweetheart. I was introduced to Glenn by Cliff. Cliff informed me once he retired, I would need to continue visiting Glenn and talking to him on the phone. And that I did! I enjoyed talking with him and visiting with him at the Medicalodge. Glenn had a vest for life, he was my buddy! I will miss him very much, but he will always be in my heart! Glenn touched a lot of peoples lives here at the Regional Office, Co workers have come to my office telling me "Glenn Stories". It is great to hear all the stories before I knew him. God Bless, Kendra Bartshe*
