“ *Sis, I will miss you so much and remember the afternoon phone calls forever. We had so much fun and lots of laughter growing up---
- cracking walnuts for Daddy and calling for him through a chainlink fence to come out of his work to get the nuts . Thank you for being my protector and loving friend . You were always my hero and my fondest wish was to be as beautiful as you. Your smile and soft-spoken ways will bless the Heavens !*

With God's blessing and all my love , Donna Dee
