“ To Goldie's family: Goldie was a wonderful neighbor and my best friend. What an honor it was to know her thru the years! We shared many miles and experiences together and had planned for future trips as well. Goldie was very very proud of each of you and she knew that she was loved in return! She will be sadly missed by all of her friends in the Bolivar area! I know she is now at peace and is with God and the loved ones who have gone before her and that comforts me in my grief over her death. I had spoken to her only 13 minutes before she died. Her death has been a shock to everyone...I pray God is comforting each of you. Goldie will be in our hearts and minds forever!! It has been a pleasure to have met you as I've heard so much about you thru the years!! Thank you for your kindness to me. Nyla M. Akin
