“ *So sorry to hear of Curtis' passing. I was out of the state at the time, and did not hear of your loss until later.*

I can recall how proud he was of all of his family, and how he was never too bashful to brag on any one of you.

He was truly a great friend, and was always one to enjoy life to the fullest.

Although I have missed him during the past two years, the world is a lesser place without him.

If I can do anything, please let me know.

*Again,
My deepest sympathy.*

“ *I too attended Lebanon High School with Curtis. I remember that Curtis talked me into going out for the basketball team one year with him (he wouldn't go by himself), neither one of us made it though. He was one of the "good guys". Sad to hear of his passing.*

“ *I attended Lebanon High School with both Curtis and his future wife Patty. He was always so very polite and soft spoken, and a very bright guy who conducted himself as a gentleman. So sad to hear of his passing. My condolences to his family.*

I guess I had known him for about 10 Years when he started coming into the Community Bank, and he was always so pleasant... a true gentleman. He will be very missed.*
