In Loving Memory of Harry "Chuck" Scott

It is with heavy hearts that we announce the sudden passing of Harry "Chuck" Scott, who left this world on the morning of September 21st, due to a heart attack at his residence. He was 75 years old.

Chuck was born on August 10th in Ava, MO, the cherished child of Wilbur and Marie Scott. He spent his formative years in Ava, attending Ava High School. Chuck served his country in the Army with honor and bravery during the Vietnam War, a testament to his unwavering dedication and patriotism.

After his military service, Chuck found his calling at Hubbell Mechanical, dedicating years of hard work and dedication to his job. In his later years, he embraced the freedom of the open road, driving trucks with a passion that matched his adventurous spirit. Chuck's love affair with Harley motorcycles was more than a hobby; it was a testament to his free spirit and love for the open highway. Upon retiring, he found solace in the simple pleasures of life, particularly his love for farming, a connection to the land that mirrored his spirited nature.

Chuck was a man of many facets, but above all, he was a loving father to his daughter, Kasey Neal, and son, Dustin Scott. His love for them was

immeasurable, and he found his greatest joy in spending time with his family and children, creating memories that will be cherished forever.

Those who knew Chuck will remember him for his infectious love for old westerns and anything "old-timey." His sharp wit, strong will, and enduring spirit left a lasting impression. His love for Harley motorcycles was not just a passion; it was a reflection of his adventurous soul and love for the open road.

Chuck is survived by his children, Kasey Neal and Dustin Scott, and his siblings, Jimmy Scott, Ricky Scott, Larry Scott, and sister Vicky Keithly. In their shared grief, they find strength in the memories of a life well-lived and a love that will endure beyond the boundaries of time.

A memorial service to celebrate Chuck's life was held on Saturday, September 30th, where family and friends gathered to honor his memory. In lieu of flowers or donations, the family requests your thoughts as they navigate this difficult time together.

As the morning sun rises, casting its gentle light upon the world, let us remember Chuck with love in our hearts, cherishing the legacy of a man whose strength, love for family, and adventurous spirit touched the lives of everyone he knew. May he find eternal peace, and may his spirit live on in the memories we hold dear.
