

## Heddy Louise Hanlon

January 19, 1945 - November 19, 2017

Heddy Hanlon, of Flemington, Missouri, passed away at her home, in Flemington, on Sunday, November 19, 2017.

Her journey began on January 19, 1945 in Sioux Falls South Dakota where she was born to John and Antonia Hine. She grew up adventurous and fun loving with 3 sisters and a little brother.

She met the love of her life at Washington High School after he turned her desk around to face his. She married her love, Dave, on February 9th 1963. They began their family and had 2 beautiful daughters, Dawn and Lynn.

In addition to her family, Heddy loved being outdoors working in the yard. She recently even got her own zero turn mower. She absolutely loved animals especially her baby Pixie who Her daughter's refer to as the "favorite child". She and Dave loved spending time on their deck watching birds, turkeys, and deer visit their yard. When the sun went down they welcomed their "kids"...raccoons, all of which had names and loved being fed marshmallows by hand.

Heddy's final hours were spent exactly where she wanted to be, looking out into her own heaven on earth as she made the journey to eternal life.

In leu of flowers please direct memorials to The Polk County Humane Society.
