“ *Teresa, Anita, & Leslie -*

*Even though your mom and dad were employed by my dad, they were always more like family to all of us and we loved and appreciated them both so much. We do so wish we could be with you for the services but be assured you will be in our thoughts and prayers & we will hope to see you person-ally the next time we are in Missouri.*

*We are very thankful that we got to see Jean in June. And I had a wonderful telephone visit with her just a few days ago. She was a special lady, but you already knew that.*

*Much love,
