“ *Irene, You were one of my dearest friends. My admiration for you knew no bounds. Watching your tender loving nursing care of the babies and their moms in our Post Partum nursing years at the U of Minn was an inspiration. You introduced me to the rich culture of Pavarotti, Shakespeare, English history, and especially our all time favorite Les Miserables. Thank you for your never ending kindness to me. Our 30 years of friendship was a very special gift from God. My love to you and my faith that we will meet again when I get up there with you, Jan*
