“ *I'm very sorry for your loss to the family of Dr. Hacker. He was my dentist growing up as well. I have many memories of sitting in the chair, my mom sitting with me. Recently, I had reason to go to Charles Ankrom's office. Walking up those stairs and seeing that ceiling again brought all those memories back. He touched a lot of lives in those years.*

“ It seems like Jack has been around my whole life, HA He has. I asked Jack a question once about my Granddads old home place near the Pomme De terre river and he said sure go ahead and visit the place anytime you want to. He asked for me to be sure and close all the gates that I opened if I opened it. That is quite a thing for a man to do I think. I never did get up to the old family home place, but I wanted to. It was the thought that counted to me anyways. My father and all his brothers and sisters were born in that old rock house you see and I was really needing at that time to see it once again. RIP Jack, I will always have a good thought of you in my heart for your kindness. Tommy Dale Brown

“ Jack Hacker is a man we consider very fortunate to have entered our lives, for many reasons. A man of strong moral character and love of family, his caring and pride were admirable. His passion for the game of golf and love of horses were so very prevalent and we enjoyed sharing anything that had to do with either with him - and more! We will miss him and already do - a lot. We haven't seen him in at least a couple years, due to the distance between us, but it's the knowing we will not see or speak to him again that hurts. Blessings and strength to Dave, Dana, Betsy, Susan, Jim, Sheila and Wanda - You all have been through a lot, so peace be unto you. You are all wonderful people, a true testament of the good stuff Jack rubbed off on you! Rest in peace, Jack ~ Our good Lord ensures that for "one of the good guys" ~
With love,

“ David, Betsy, Susan, Jim and family, my thoughts are with you at this time. Jack was our family dentist when I was growing up as he was for many Polk County families. He and Ann were certainly some of the Bolivar treasures and did a lot for the community. May his love and memories always be a comfort to you until you all meet again.
