“ Our heartfelt sympathy to all of your families. It has been several years ago that I saw uncle Jim but have fond memories of all of you from when we were growing up. I sure would have liked to attend the funeral but could not work it out at work to be gone. I still deliver mail everyday and others are on vacation so I was not able to leave. Our thoughts and prayers are with you all at this very sad time. Jot me a note I would love to see all of you sometime we have friends that moved to the Branson area so you never know when we can make it that way. Love cousin Ada and Joel Hoogendoorn
