“ *Jimmy was one of the few people I've been friends with for longer than I can remember. He was so quick to hug, smile to, and take an interest in the people he cared about. I didn't see him often anymore, and I took that last hug for granted. I'm so thankful for the memories I have, he truly was such a good person. My thoughts and prayers are with his family.*

“ Jimmy was a friend from many, many years ago, but I still remember his face and his laughter. Although we lost touch through the years, I can't imagine him being any different than he was 15 years ago except his knowledge of the greater things in life. He will be missed and loved by many, but his spirit still lives with the ones who loved him most and of course through the power of God. He is in a place that we can only hope to be someday when it is our time! Love you Jimmy....

“ I want to extend my sorrow to you all for the loss of a very special guy. I remember Jimmy as a shy kid in middle school. He seemed to make the best of his circumstances, no matter good or bad. He always knew how to make me smile. I'am sure you all seen that quality. Jimmy will be missed, and a piece of this world was taken with him. But the memories wil be with all of us forever. May God be with you all in this hard time. with Love, Shayla Mincks
