“ Jim, you were a wonderful friend through out the years, and would do anything a friend would ask. We thank you for sharing memories of the trips we made as a family. Even our license plates one number off for years. Thanks for your prayers for Linda in the last two days of your life. She wishes she could have been able to tell you good-bye. Rest well our friend.

“ We all loved you Grandpa! Your mind was still going strong until the end. We are all happy you can finally stop fighting and rest--you at least deserve that. Thank you for all you were and are.
