“ *To my father, I love you still and i know when I hear the thunder roll and the lightning strike its just you saying hi. I miss you so much and I wish I got to know you better. there was so much I wanted to ask you. And now Ill have to wait even longer. Mom always told me you left so James and I could have a better life. and that you were worried that you might be a bad influence on us. I alway wanted to go back to longview and visit you and have a beer with my old man. I will never forget you dad. Love Bobby.*
