“ This is Earl, the other half of the twins - we had many good times in Newkirk and Blackwell , Jim with his car , a 54 Chevy , dragging Main St in all the towns in Kay county. Then there was harvest time in Peckham , your favorite time of the year, buddy. Glad you life was filled with family and doing things you love, you were a special friend, the type that only comes from "growing up relationships " in a small town such as Peckham , Oklahoma!

“ My twin brother, Earl and I grew up with the Trenaries in Peckham. Spent countless hours with Jim and Marilyn and their parents, Floyd and Ruby. I talked to him last year after his lengthy stay in the hospital. Great memories of riding around town on "the duck", sharing stories of girls we knew, getting rowdy in Blackwell. Have pictures of Jim and other acquaintances before we all even started school. Until my mother, Vada Smith, passed away in 2005 she always sent Marilyn money for a hamburger. God bless the family.
