“ *Patricia, I know we have only had the pleasure of knowing you and James for a couple of weeks, but you have no idea what an inspiration he was to me at Alpha. I looked forward to the time each week that we met with him in our group and was in awe of his kindness and faith. He touched my life in ways that you will never know. It was such a shock to loose him. Thank you for sharing in Alpha as well and you are in my thoughts and prayers! God bless!*

“ James I'm going to miss seeing you at Alpha. You've been a blessing to our group each Thursday we've met. Although it's only been a year that I've known you, it feels like it's been many. You're now with Chesty and the other Marines you served with that have been guarding those streets of gold.. I'm sure they are giving you a Semper Fi as you come through the gate. Patricia our hearts go out to you as you deal with your loss. You will always be welcome in our Alpha group!
