“ *Jane had such a great sense of humor. She always was pleasant and had a beautiful smile. She will be missed. Prayers for her family members.*

Cheri Robertson Jones - November 30, 2016 at 06:52 PM

“ *Jane would always put a smile on my face when I was having a bad night at work. When I was always running around through the hall she would say "where's the fire?" needless to say I got her to believe there was actually a fire one time.*
