Mrs. Janet Lea Snook, age 68, passed away at 6:13 PM, Thursday, January 12, 2012 in Bolivar after a year long battle with ovarian cancer.

Janet Lea Teters was born at Burge Protestant Hospital in Springfield, Missouri on May 27, 1943, the daughter of Roy E. Teters, Jr. and Elizabeth (Redford) Teters. After WWII the family made their home in Bolivar and Roy went into business with his father in Teters Nursery and Floral. When the older son, Tiffin Teters, Roys Brother, joined the family business in 1951, the two brothers started Teters Floral Products.

Janet later attended Oklahoma Baptist University and Southwest Baptist College. In 1962 she married Bob D. Burks and they had a shoe store in Bolivar for 16 years. They had three sons, David, Robert and Stephen.

Janet participated in many things while in Bolivar. She belonged to Thursday Musical Club, Federated Womens Club, Beta Sigma Phi and PEO. In the 1980s she was elected to the school board and served as president for a year.

In 1983 she joined the Carol Jones Real Estate Company in Springfield as it was forming. She worked there 14 years and loved her work. She moved to Springfield in 1985.

In 1996 she met James Snook and they were married January 1, 1997. Jim was retired from McDonald Douglas in St. Louis, so Janet retired to join Jim in traveling in their R.V. They lived in all 48 states, all of the Provinces of Canada below the Arctic Circle, and many States in Mexico. It was a lifestyle they both loved. They enjoyed nearly 16 years of being together.

Janet was preceded in death by her grandparents, Courts and Ruth Redford and Roy E. and Mabel Teters. Her father, Roy E. Teters, Jr. passed away on June 30, 2007.

“ I am standing upon the seashore.
A ship at my side spreads her white sails to the morning breeze
and starts for the blue ocean.
She is an object of beauty and strength,
and I stand and watch until at last she hangs
like a speck of white cloud
just where the sea and sky come down to mingle with each other.
Then someone at my side says,
" There she goes! "
Gone where?
Gone from my sight . . . that is all.
She is just as large in mast and hull and spar
as she was when she left my side
and just as able to bear her load of living freight
to the place of destination.
Her diminished size is in me, not in her.
And just at the moment
when someone at my side says,
" There she goes! "
there are other eyes watching her coming . . .
and other voices ready to take up the glad shout . . .
" Here she comes! "
