“ *It was totally by chance that I looked at the Funeral Home website and learned the sad news of Jan's passing. When I first moved to Springfield fresh out of high school in 1963, Jan lived in the same apartment building where I lived. We became good friends. I have wonderful memories of times we shared. I visited her when she lived in St. Louis. When she lived in Michigan, I lived in Kirksville MO, and we vacationed together in southwest MO one summer. We made stops at my parents home near Collins and her parents home near Humansville. We sat on a picnic table near Forsyth with our salt shaker and tomatoes from my Dad's garden.....laughing, talking, and eating tomatoes! As time went on and more distance separated us, our contact was pretty much limited to our yearly Christmas card. I'm so glad that I was able to stop & visit her in her beautiful Bolivar home a few years ago. We spent a couple of hours reminiscing & recalling some of our fun times. I am so sad today, but feel blessed to have known her and counted her as my friend. My sincere condolences to her family.
