“ *So many memories to choose from and I couldn't share just one. The greatest memory I have of her tho..... Was her kindness and love she showed and gave. The biggest thing I learned from her, was how to forgive someone, even if they haven't or never apologize or if it's something that's unforgivable....forgive them. Not for them tho... Do it for yourself. Do it for your own peace at heart. Then, pray for them and put it in God's hands for him to take care of.*
