

Jason Guy Rogers

January 15, 2010 - August 8, 2023

Jason Guy Rogers, 13 years young of Bolivar, MO, born on January 15, 2010, was an 8th grade student at Bolivar Middle School with a great group of friends, he loved all of his teachers and school staff and attended Bolivar school from Kindergarten to 8th grade. Jason truly had a heart of Gold with an old soul and would light up any room he walked into. He loved spending time with his family, riding his bike and was a master at gaming! Jason also enjoyed working on projects and woodwork along with other detailed handyman crafts. He was full of so many amazing ideas and if he was able to, he'd put his imagination into reality! Even though Jason didn't like to get his hands dirty, he absolutely loved helping Grandma in the garden and making salsa and he sure did like it hot! Jason was very close to his Uncle Cody and would always video chat while playing online games together.

He truly cherished his family and all the memories made. He loved spending time with his brothers and sisters and had a great bond with them. Jason had been diagnosed with Type 1 Diabetes February of 2022.

Due to his Type 1 Diabetes, he was taken from us too soon on August 8th of 2023, survived by his parents, Justin Rogers and Genisa Keith; His grandparents, Debbie and Glen Rhoten; His siblings, Michelle, Duncan, Destiny and Emma; His Uncle Cody, Aunt Gaby, Aunt Jessica and many cousins.

We will never not remember you and will always love and miss you!

“ Our son is in the same grade as Jason. They have been school friends for a few years now. Ive gotten the pleasure of hearing about all the memories involving Jason. He has had such an impact on so many. To say our hearts go out to this sweet boy and his family is an understatement. Until reunification, he will never, ever be forgotten. You are all in prayers and in our hearts.
