After while We were Married and started life's Joinery, Our life's together, We were Blessed. We had our first baby, Beautiful boy,and 17 months later Beautiful baby girl.

*Hi Nina*

*First off I want to introduce myself. My name is Richard Joseph Burk and Jay Allen Burk is my father. I was born in 1983. I just found out yesterday about his passing.*

*Second I was wanting to say sorry for your loss and give my condolences to my father. I never got a chance to meet him or ever talk to him. I never knew where to start or what I would ever say to him. If I ever got the chance to.*

*Once again I'm sorry.*
