“ Sheryl Ann, Mike and the rest of the family. I hope you haven't gotten several of these for me, PC problems, probably operator error on my end. I can't express how sorry I am for you all. I'll be thinking about all of you and you'll be in my prayers. I loved my Uncle Jerry a lot. He was a quiet guy, but when he talked I sure listened! Some of my favorite memories; him joining the sisters, when we were all together for "joke time", spending a lot of time with all of you when we visited, watching him during racing & the demolition derby, I loved that. My mom loved Jerry to pieces, they stayed in contact for years after your mom passed away, maybe until she died.. My husband and I would get together once a week at her house, until she died. While I was at the grocery store for her they had long talks. Ron told me yesterday, that mom talked about Uncle Jerry a bunch. I never knew that, but it says a lot about how much she thought of him. Sorry for rambling on, but I have such great memories of him, I could go on & on. God bless you all, we need to do a better chance of staying in touch, Mike & Sheryl Ann. Love you both! Bert
